Being Responsible

## One-Stop Compostable Foodservice Packaging

Switch to 100% Compostable Single-Use Tableware & Food Packing - that disintegrates in just 90 days leaving no toxicity in the soil. The last best time to avoid plastic was 20 years ago. Next best time is today.

## PRODUCT CATALOG 2024 V.0 R.1

Back to Nature is driven by a motive to be conscious of the havocs created by plastic waste into eco-system, heaps of human rubbish on land, and the nature's crisis that leads to startling consequences for living beings.

# OUR PORTFOLIO

## 1. SOIL COLLECTION

A variety of single-use tableware and food packaging products made from natural and unbleached sugarcane pulp, wheat straw pulp, bamboo pulp or bamboo fiber that is 100% compostable and goes back to nature in 90 days.

## 2. PEARL COLLECTION

For pure white single-use tableware and food packaging requirements, we have products made from oxygen bleached sugarcane pulp that is safe for health and environment as well as biodegradable. We also have corn starch bio-plastic materials that are industrial compostable.

## 3. SIP COLLECTION

A complete variety of paper straws, hot cups and cold cups for being responsible towards nature whilst you enjoy your drink.

## 4. WOODY COLLECTION

These include disposable, eco-friendly and natural products like cutlery (knife, fork, spoon), coffee stirrer, skewers, chopsticks etc. that are made from wood.

## 5. CLEAR COLLECTION

Made from PLA (Poly Lactic Acid) which is a type of bio-plastic that is transparent, and is industrial compostable. It is suitable for cold food only.

## 6. BROWN COLLECTION

Made from natural Kraft paper, these products are 100% recyclable and processed without the addition of bleaches or dyes. Their recyclable nature lets customers know that you care about the environment.

## 7. ARECA COLLECTION

Made from ARECA Palm Leaf, these products are 100% natural and hence biodegradable in a short span of time.

## 8. CARRY COLLECTION

100% biodegradable and compostable bags that are made from renewable resources like cassava starch and recyclable Kraft paper, so it is completely harmless to nature.

# WHY BACK TO NATURE?

## Our Vision

Our vision is to lead masses to create a world that is respectful of Mother Nature, leveraging the environment for progress, yet giving “back to nature” for living things to survive and thrive in this ecosystem.

## Our Mission

Our mission is to reduce non-biodegradable garbage by replacing them with compostable tableware and thus create an impact on the effect of pollution due to harmful single-use products.

## Our Advantage

- ◆ Our team is passionate to help you reach your goals, no matter how big or small.
- ◆ We offer free shipping within U.A.E cities for orders over Dh. 1000.
- ◆ Competitive prices, noting the given are prices are excluding VAT.
- ◆ You can select a bundle of different products and request for free samples.
- ◆ Avail streamlined ordering and shipping within 2 to 3 working days.

## Why Eco-Friendly?

By “being responsible” about protecting and preserving the environment, you can show your customer how environmentally-conscious you are while serving them your delicious meals with Back to Nature Tableware and Food Packing products.
